Re: Donation to Lone Star Family Health Center

Dear Jessica,

On behalf of Lone Star Family Health Center, I want to express our heartfelt thanks for your support of our staff and our local response to COVID-19. Our organization's mission is to provide compassionate, affordable healthcare and prepare tomorrow's family medicine professionals.

Thanks to your generous donation of personal protective equipment, our healthcare team can continue focusing on patients in the midst of the COVID-19 pandemic. Despite screening and testing over 500 individuals for COVID-19, the community needs the strength and comfort of our organization's primary care services now more than ever.

We are appreciative of your willingness to join us in our effort to flatten the COVID-19 curve in Montgomery County. Thanks once again, and we look forward to your continued support.

Sincerely,
