PRESIDENT & CEO

Marki Flannery

Thank you for the wonderful donation of 25 face shields. VNSNY has been on the health care frontline for over 125 years and you are helping us continue to be there for New Yorkers during this dreadful COVID-19 pandemic.

With widespread personal protective equipment (PPE) shortages, VNSNY is faced with the ongoing challenge of safely protecting our staff, patients, and members. In these uncertain times, we realize that we are all connected, and every person's well-being is essential for the health of our communities.

Your contributions are saving lives and deeply appreciated. Thank you! Be safe.

Sincerely,

Andrew N. Schiff, MD
